

# Unique Disability ID

## About Us

"Unique ID for Persons with Disabilities" project is being implemented with a view of creating a National Database for PwDs, and to issue a Unique Disability Identity Card to each person with disabilities. The project will not only encourage transparency, efficiency and ease of delivering the government benefits to the person with disabilities, but also ensure uniformity. The project will also help in stream-lining the tracking of physical and financial progress of beneficiary at all levels of hierarchy of implementation – from village level, block level, District level, State level and National level.

## Card Benefits

The UDID card shall bring a host of benefits to the Persons with Disabilities as given below:

Persons with disabilities will not need to make multiple copies of documents, maintain, and carry multiple documents as the card will capture all the necessary details which can be decoded with the help of a reader

The UDID card will be the single document of identification, verification of the disabled for availing various benefits in future

The UDID Card will also help in stream-lining the tracking of the physical and financial progress of beneficiary at all levels of hierarchy of implementation – from village level, block level, District level, State level and National level.
