

Its Time to go Shopping/Mall

Mamma has to go to malls and shopping to buy daily need things. I know you to enjoy in malls. Malls and shopping places are crowded. I want you to hold my hands securely when we are in mall.

Your Daughter/son name..... can take trolley and choose to buy the things he/she likes.

You should run away here and there in the mall. Mamma will become upset.

You can even ask mamma to help you in shopping. Mamma will be very happy to help you. Mamma wants (your child name) to be happy.

I enjoyed with my family and had nice time shopping.
